* Примечание:
Средние значения удельных показателей кадастровой стоимости земельных участков (руб. за 1 кв.м) установлены для определения кадастровой стоимости вновь образуемых земельных участков и существующих земельных участков в случаях изменения категории земель, вида разрешенного использования или уточнения площади в соответствии с приказом Министерства экономического развития и торговли Российской Федерации от 12 августа 2006 года № 222 "Об утверждении методических указаний по определению кадастровой стоимости вновь образуемых земельных участков и существующих земельных участков в случаях изменения категории земель, вида разрешенного использования или уточнения площади земельного участка".

При отсутствии среднего значения удельного показателя кадастровой стоимости по садоводческим, огородническим и дачным объединениям (местоположениям) применяется среднее значение удельного показателя кадастровой стоимости соответствующего вида объединения по муниципальному району (городскому округу, имеющего межселенную территорию) в соответствии с приказом Министерства экономического развития и торговли Российской Федерации от 12 августа 2006 года № 222 "Об утверждении методических указаний по определению кадастровой стоимости вновь образуемых земельных участков и существующих земельных участков в случаях изменения категории земель, вида разрешенного использования или уточнения площади земельного участка".
